

SMART Cities & HYBRID Identities Art Festival

[SMART Cities & HYBRID Identities](#)], an International Art Festival of Photography, Video Art, Computer Graphics, Architecture and Performing Art, will be held in the city of **Venice**, during the fabulous Carnival of Venice. The **Scoletta di San Giovanni Battista e del SS. Sacramento in Bragora**, the venue of the event, will open its doors on **Friday 25th of January, until Sunday 27th of January**. Thirty-five artists, from different countries, have been selected to be part of this project.

The selections has been based on the main concept of **hybridization between identities and urban environment** to create a **smart life**. People, backgrounds, societies, progress and all their inputs creates hybrid identities, modifying each other and being mixed in prospect to shape a better world. Mixing sustainable transport; modern (ICT) communication infrastructure; sustainable economic development; and wise management of natural resources, human, intellectual and social capital, is the key to reach a future better life quality. Be smart. Be hybrid. Be better.

During the event will be presented the Solo Show of the performer **Ji-Eun Lee**, and the video "Chromatic Revelry" by **Evann Siebens**, winners of **?ID / Identities? Istanbul 2012**.

After the event, our organization will select the **winning artist of 1 year of participation (6 events) in International art exhibitions organized by International ArtExpo**, all over the world.
