SoPHIA´s Virtual Stakeholder Conference

The SoPHIA Platform for Holistic Heritage Impact Assessment is happy to announce a **two-day conference** which will bring together a diverse group of stakeholders to review interventions in Europe's urban heritage, through keynotes, thematic sessions, workshops, and artistic interventions. The meeting will offer the occasion to establish a collective reflection on the diverse impact of cultural heritage and to gather feedbacks and inputs on the **Holistic Heritage Impact Assessment Model** developed under the Horizon 2020 funded SoPHIA project.
Registration is free of charges.
More information are coming soon: visit the SoPHIA's website to stay up to date and share the event on Twitter and Facebook.
