

Succeed Final Conference

PREFORMA project will participate with a poster to the conference **?Succeed in digitisation. Spreading excellence?**, organised by the [Succeed](#) project on November 28th, 2014 at Bibliothèque nationale de France (BnF).

The conference schedule will focus on the following blocks based on the main outcomes of Succeed:

- Libraries' experiences in the take-up of tools.
- Results on competitions.
- Roadmap for the future of digitisation in Europe.
- Interoperability of tools for text digitisation.
- Recommendations on formats, standards and licensing schemes related to digitisation.
- Panel discussions on digital humanities / digital conservation
