Symbiosis of Tradition and Digital Technology

The **CIDOC 2021 conference ?Symbiosis of Tradition and Digital Technology?,** planned in September 2021 was postponed to Spring 2022 due to the new government restrictions and rising COVID-19 cases in Estonia. **The hybrid conference will take place in Tallinn at Maarjamäe History Centre from 21 to 27 May, 2022**.
Despite the postponement, the topic and themes of the conference will remain the same. CIDOC conference ?Symbiosis of Tradition and Digital Technology? will set its focus on three main subjects: ?Strategic Planning?, ?The Future of Documentation? and ?A Wonderland of Digital Technology?.

The conference main programme will take place between May 23 to 26, workshops and working group meetings will take place on May 21 and 22, post-conference trips will take place on the 27th of May 2022. Detailed programme of the conference is available on the conference website.
Already purchased tickets in 2021 will be valid for 2022 conference.
The early bird registration is available until March 15, 2022.
