

The Cultural Heritage Cloud call 2025: implementation update

Complementing the [Cluster 2 Information Day webinar](#) on 15 May and the [online brokerage event](#) on 16 May, a specialised webinar is organized for all stakeholders, focused on how the future projects funded under the Cultural Heritage Cloud call topic of Horizon Europe's Cluster 2 Work Programme 2025 will interact with the other Cloud projects and be integrated in the Cultural Heritage Cloud initiative.

This webinar is co-organised with **ECHOES**, the project coordinating the Cultural Heritage Cloud initiative and developing the basic cloud platform, and the [three sister Cloud projects](#) selected under the 2023 call.

You will receive the latest information about the Cultural Heritage Cloud implementation and be able to ask **live questions** to the ECHOES consortium.

The event will take place online on **30 June from 14.00 to 15.30h**.
