

The European INCULTUM project and the Portuguese pilot. Challenges and opportunities for the sustainable development of Campina de Faro

Thinking Faro Forum is organised by the municipality of Faro in Algarve, and is attended by various stakeholders, university students and citizens.

The representative of the [INCULTUM pilot on the Campina de Faro](#) will present the results of the activity and the challenges and opportunities emerged during the 3 years of work.

The full programme of the event is available for download ([PDF](#)).
