Festival of Art, Theatre and new Technologies "The Wonders of possible" - INTERNATIONAL OPEN CALL FOR ARTISTS

Between October and November 2025, Kyber Theatre organises in Cagliari (Italy) the **12**° Edition of the **International Theatre, Art and New Technologies Festival**, called ?The Wonders of Possible?.

Kyber Theatre addresses Italian and International artists, emerging and not emerging companies and/or artists with an Open Call to submit their projects about ?Interaction between theatre and new technologies", with a deadline on the 20th of June 2025.

The winners of the Open Call will have guaranteed the full coverage of the costs for mobility and an ?attendance fee? for the presentation of their performance for 2 evenings. If possible, any material required for the presentation of the performance / show / play will be covered.

Read and download the Open Call PDF (EN, IT) here<<<<
