

TPDL 2016 - 20th International Conference on Theory and Practice of Digital Libraries

The International Conference on Theory and Practice of Digital Libraries (TPDL) constitutes a leading scientific forum on digital libraries that brings together researchers, developers, content providers and users in the field of digital libraries. TPDL 2016 will take place in Hannover, Germany on September 5-9, 2016. The conference will be jointly organized by the L3S Research Center and the German National Library of Science and Technology.

TPDL 2016 General Theme: "**Overcoming the Limits of Digital Archives**"

Keynote speakers of 2016 edition are:

Jan Rybicki, Jagiellonian University, Kraków, Poland

Tony Veale, University College Dublin, Ireland

David Bainbridge, University of Waikato, and Director of the New Zealand Digital Library Research Project

Next to presentation of research papers, the conference includes tutorials, specialized tracks, a Poster Session, and workshops.

Registration is open and the list of accepted papers is also available:
