Upcoming ?Connect. Collaborate. Create.? conference in Paris

Jointly coordinated by two Horizon 2020 projects, COESO and PRO-Ethics, ?Connect. Collaborate. Create.? will be an interactive conference to bridge European communities for fostering ethical participatory approaches to research funding and activating participatory research and citizen science.
While the conference has a strong focus on the social sciences and humanities, researchers and citizen science practitioners from all backgrounds are welcome! Keep an eye on the COESO and PRO-Ethics websites, which will soon be updated with more details.
