

Uprise Festival 2015. Get Ready to Start Up!

During this edition of **UPRISE Startup Festival**, taking place on **September 25-26**, UPRISE will showcase 200 international startups, a showcase programme for young to mid-stage startup companies, to 10.000 attendees. The event will be held at **NDSM Werf** in **Amsterdam**. Partners include **Red Bull, Sonos, Facebook, Rockstart** and **UVA, VU Amsterdam** and **NRCQ**. UPRISE is the largest startup festival in Europe. Focused on growth and visibility for startup talent, it connects with universities, companies and the public.

After a great reception for the first edition in Amsterdam, the international showcase and business platform for young companies and talent continues. This time it offers **30 Stages of Content, 30 Workshops, Robots to the Rescue: Social Hackathon, Special Lounges, London's Makerversity, Public Pitching, Game of Drones, Foodcourts** and young **DJ Talent Platform**.

Friday and Saturday have various parties with **ALGORAVE** (live coding creating music), young **DJs** and **games**.

The **Startup Marketplace** includes: **CashandCard, Usabilla, Springest, Travelbird, Yeller, Nouncy, Barqo, Blocktrail, Pastbook** and **Proctorexam**.

«There was a great crowd. A healthy combination of people from our network and plenty of new people to meet and potentially hire» (**Wout Laban** of **Gibbon An** startup at the festival).
