'Urban Future' - Seminar at the Faculty of Geography and History, University of Santiago de Compostela

On Thursday, April 20 2023, at 7 p.m., in the Aula Magna of the Faculty of Geography and History of the University of Santiago de Compostela, the Urban Future Seminar takes place, organised by the Territorial Analysis Research Group (Grupo de Investigación de Análise Territorial - ANTE).

Recently, the media presented the urban and architectural proposals for the future of the Youth House in Santiago. The seminar will be the occasion to participate in the debate about common spaces and citizen participation and the role of cultural and public spaces in the city.

Uxío Novo Rey from the UNCHARTED project will participate in the debate.

Download here the announcement of the seminar.
