

WEAVE Labday about Portuguese intangible heritage

image courtesy of PédeXumbo

This LabDay from the WEAVE series is dedicated to engage communities in South Portugal to re-discover intangible heritage practices linked to traditional dance. The workshop, organized by partner PédeXumbo, takes place in the framework of the annual Festival Desdobra-te, a festival of dance and other arts, organized by PédeXumbo, in Évora (Portugal).

The event is in Portuguese language.
