WEAVE Labday: Mastros Tradicionais, a cultural practice from Odemira (Portugal)

Vinhais - Santalha Vinhais, 2015, Ph. Tiago Pereira

This LabDay from the WEAVE series is dedicated to engage communities in South Portugal, and is composed of various cultural heritage activities, all linked to the practice of Mastros Tradicionais, a cultural practice from Odemira (Portugal).

The LabDay is coordinated by partner **PédeXumbo** and includes:

- conversation with the research team and presentation of the documentary ?**Da Terra ao Céu**?
- presentation of PédeXumbo's Brochure Collection ?**Para Conhecer e Fazer**?, dedicated to Mastros Tradicionais, with hands-on activity
- Paper Flowers workshop: **How to Make Paper Flowers**

The event is in Portuguese language.
