# Workshop(s) on 3D digitisation, preservation and reuse scenarios

The Workshop(s) on 3D digitisation, preservation and reuse scenarios event was organized in Ghent by meemoo, as a training for Cultural Heritage professionals and partners in the meemoo network. It was a onsite event with 15 attendees.

At this link, it is possible to download the PowerPoint presentation that was used for the training (PDF, NL).

EUreka3D-XR project is co-financed by the Digital Europe Programme of the European Union.
