

MEDITERRANEAN MOUNTAINOUS LANDSCAPES

an historical approach to cultural
heritage based on traditional agrosystems

MEMOLA

This project has received funding from the European Union's Seventh Framework Programme for Research, Technological Development and Demonstration under Grant Agreement n° 613265.

The implementation of **MEMOLA** project is framed under the analysis of Cultural Landscapes from late antiquity to modern times, evaluating the relationship between human societies and natural resources. The project aims to analyse, from an interdisciplinary perspective, the management of water and soil. The **MEMOLA** project counts with a total of ten partners and its central coordination is based at the University of Granada, Spain. The study focuses on four areas: Sierra Nevada (Spain), Monti di Trapani (Italy), Colli Euganei (Italy) and Vjosa Valley (Albania).
