DISCUSSION

Chaired by: Dr. Zoltán Krasznai

11:00 **All the participants engage in a collective debate and open discussion, carried out
confidentially under Chatham House Rules, on the following topics:**

Future research agenda: looking for a common vision related to a few, key strategic points

Current projects' outcomes: sharing, re-use and exploitation of results

Communication structures: how do projects talk to each other, what are common and what
are complementary elements that can be communicated jointly, can coordinated messages be
conveyed to policy-makers to improve effectiveness, how might communication to society be
enhanced (including enterprises, schools, citizens in general)?

Prof. Neil Forbes, Dr. Zoltán Krasznai

12:00 **Closing Remarks: summary of emerging mutual interests and actions for future collaboration**
